## Overview

Academic Libraries Overview
Welcome to the IPEDS Academic Libraries (AL) survey component. The purpose of the AL component of IPEDS is to collect information on library collections, library expenses, and library services for libraries in degree-granting postsecondary institutions.
Recent changes
There are no changes to the 2018-19 Academic Libraries component from the 2017-18 collection. Visit the Academic Libraries Resource page for additional reportin9ti4ocs.4(p)4\subseteq 504 Reporting Reminders
Report all data for fiscal year (FY) 2018. Fiscal Year 2018 is defined as the most recent 12-month period that ends before October 1, 2018, that corresponds to the institution's fiscal year.
Coverage
Include data for the main or central academic library and all branch and independent libraries that were open all or part of the Fiscal Year 2018. Branch and independent libraries are defined as auxiliary library service outlets with quarters separate from the central library that houses the basic collection. The central library administers the branches. Libraries on branch campuses that have separate IPEDS unit identification numbers are reported as separate libraries.

Summary

## **Academic Libraries Component Summary**

IPEDS collects important information regarding yo survey components become available in the IPED S Data Center and appear as aggregated data in various Department of Educatio n reports. Additionally, some of the reported data appears in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on your DFR. Data Feedba ck Reports will be available through the Data Center and sent to your institution's CEO in November 2018.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
