## Fiscal Year 2018 Student Housing and Dining Rates UM

Attached are rate proposals for residence halls and family student housing for FY2018. The rates would become effective for the Summer Session 2017. These recommendations are being presented as an action item for approval at the February 9-10, 2017 board meeting.

Room and board charges vary across the four campuses and within each campus based on the residence facility and meal plan selected. The table below shows current and proposed rates for the predominant room and board plan on each campus. The proposed increases are driven by various factors that impact housing and dining differently and campus operations differently including but not limited to utility costs, debt service, food costs,
