

Institutional Characteristics 2021-22

Overview

Institutional Characteristics Overview

Welcome to the Institutional Characteristics (IC) component. This component collects important information about your institution's mission, student services, and student charges.

Much of the data reported on IC appear on College Navigator, which is updated once after IC data have been reviewed. Thus, errors may stay on College Navigator for a full year.

Additionally, the cost of attendance data are used to calculate the net price of attendance in the Student Financial Aid component. This has important implications for what students see about your institution, and also for the College Affordability and Transparency Center's lists. **Revisions or changes to costs can ONLY be made in the Student Financial Aid component and not in the prior year.**

If you answer Yes to this question, you will not be asked to report off-campus room and board in the price of attendance (D11).

This is only a screening question, and your response does not show up on College Navigator.

If you make any exceptions to this rule, and have even one full-time, first-time student living off-campus, please answer No so that this does not cause conflicts with the Student Financial Aid survey.
